TOOLS FOR LIFE calls out for “HEROs 2014”.

The TOOLS FOR LIFE Foundation dedicates the year 2014 to heroes and role models – to our „HEROs 2014“. This initiative is aimed at our “Next door heroes” – those people around us who stick up for others in need and against grievances. These people are mostly acting humbly in the background without the public eye noticing their engagement. They have big hearts and a tireless commitment to make life better for others. TOOLS FOR LIFE would like to support these HEROs actively in their engagement.

To achieve this, TOOLS FOR LIFE asks you as ROTHENBERGER employees to look around for your personal HEROs in your surroundings. This could be the colleague, who is working after hours in an animal shelter or a neighbor helping out in a retirement home every weekend. Also the engineer, who spends his annual leave on working in Third World Countries or the young woman, who spends her free time to teach immigrant children German.

All your submissions will be published on the TOOLS FOR LIFE-website and in press releases. Furthermore an info exhibition of the „HEROs 2014“ will be displayed in the TEC-Centre in Kelkheim. The Board of Trustees, the family Rothenberger, will select the „HERO 2014“ from all submissions and make his/her project the topic of this year’s Christmas fundraising campaign „Donations instead of Gifts“. The raised funds will be donated by 100% to the project.

Therefore, please look carefully – there are definitely real HEROs around you. Please take down your proposal using the form attached and send it to the attention of Dr. Sandra Rothenberger at info@toolsforlife-foundation.com or by fax: +49 (0)6195/800-305. Deadline will be April 15, 2014. Thank you!

We are looking forward to many great suggestions.

Best regards,
Dr. Sandra Rothenberger
