## Who will be TOOLS FOR LIFE HERO 2015?

For the second time we call out for our TOOLS FOR LIFE HERO. After a very successful campaign last year with 16 nominees, we decided to continue the search of our TOOLS FOR LIFE HERO this time for 2015.

Our initiative is aimed to our “Next door heroes” – those people around us who stick up for others in need and against grievances. We want to actively support these HEROs and raise money for their projects. Last year we presented our HERO 2014 - Pater Antonios – and collected 12.200 EUR, which were fully invested in his project „ARK of the world“.

For the campaign TOOLS FOR LIFE HERO 2015 we would like to ask you as ROTHENBERGER employees to look out for your personal HEROs in your private and business environment. Get inspired for your search after the true HEROs by <http://www.toolsforlife-foundation.com/index.php/en/blog/hero-2014>

Like last year, your submissions will be published on the TOOLS FOR LIFE website and in press releases. The Board of Trustees, the Rothenberger family, will select the „HERO 2015“ from all submissions and make his/her choice for the topic of this year’s Christmas fundraising campaign „Donations instead of Gifts“. The raised funds will be donated 100% to the project.

Please send your proposal, using the attached form, to Dr. Sandra Rothenberger at [info@toolsforlife-foundation.com](mailto:info@toolsforlife-foundation.com) or fax it to +49 (0)6195/800-3769. Deadline is September 30, 2015. Thank you!

We are looking forward to many great suggestions.  
All the best,

Dr. Sandra Rothenberger
